

To whom it may concern,

On 25 May 2019, I will be participating in the Ultimate Soldier Endurance Race, presented by Outdoor Events.

This event will be held to challenge obstacle course racing (OCR) athletes to see how many laps of a short course they can do in a certain amount of time. This challenge extends to raise funds for A21 South Africa, an anti-trafficking non-profit organization.

There are currently more than 40.3 million people trapped in modern day slavery called, human trafficking. A21 is globally dedicated to fighting slavery and Abolish Slavery Everywhere, Forever.

You can play a part to help abolish this injustice.

As I, _____, will be participating in the Ultimate Soldier Endurance Race, I want **your business/organization** to partner with me by contributing to A21’s continued efforts to **Reach, Rescue, and Restore** the lives of human trafficking victims.

You can do this by pledging \$5.00 (± R70.00) for every lap I complete during this race.

I will be competing in the 2-hour _____ / 4-hour _____ / 8-hour _____ category and aim to complete as many laps as possible in this given timeframe.

Please don’t hesitate to call me at _____ or email me at _____.

Thank you so much for your time and consideration. Together, we can make a difference.

For Justice,
